

Meet the people behind the technology.

Tony Parnell

Vice President of Polymer Solutions

Mr. Parnell leads all aspects of the Polymer group's operations, research and product innovation, and business development activities, which include fire safety products in 100 countries.

A chemical industry veteran with over 25 years of international experience in global sales, business management and development activities, Mr. Parnell joined Albemarle (then the Specialty Chemicals division of Ethyl Corporation) in July 1982. Most notable of his past assignments at Albemarle include Managing Director of the companies European and Middle East Operations and most recently having led the companies global Sales and Service operations.

Mr. Parnell graduated from Mississippi State University with a Bachelor's Degree in Chemical Engineering.
