

Meet the people behind the technology.

Ronald R. Gardner

Vice President, Fine Chemicals

Ronald Gardner is responsible for creating and executing strategy for this unit and for financial results.

Mr. Gardner joined Ethyl Corporation in 1973 and has had a successful, broad-based path in his 35-year career. He has worked in Manufacturing, R&D, International Distribution and Project Management. He has also lead Albemarle's Global Supply Chain organization and was responsible for the integration of Jordan Bromine Company into our global bromine operations and business. He has spent 15 years in Business Management, including a 5-year assignment in Europe.

Mr. Gardner received a B.S. in Chemical Engineering from Mississippi State University in 1973 and an MS in Chemical Engineering from Louisiana State University in 1977.
